# NEW YORK COTTON MARKET.

NEW YORK, July 1 .- A fair demand for near months was a feature of the cotton market this morning. It opened with August 16 points higher and Sentember 8 points. Late positions, which Riggs.. under cables should have been relatively People's. the strongest, were neglected. This was partly due to the fine weather map of a rather bullish Government report

of late months at Liverpool overcame pressure here and led to a sharp rally.

Regarding rumors of dissensions in the New Orleans cotton bull pool, there is nothing known beyond the fact that such a condition has been denied by the house which is regarded as the New York mouthpiece of the pool. The action of today's market shows support how-

It is estimated that 180,000 bales will be delivered on July contracts alone, Opening. Noon.

# NEWS OF GEORGETOWN.

Mrs. Louisa Walsh, of 1736 Thirtysecond Street northwest, mother of Policeman Guy Walsh, of the Seventh Precinct, fell in the yard in the rear of her home yesterday afternoon and fractured a small bone in her right wrist. She was taken to the Georgetown University Hospital. Mrs. Walsh is sixtythree years of age. About a year ago she fell and broke her leg. She is now at her home.

Frank Strickler, who is employed in the drug store of William J. O'Donnell, northwest corner of Thirty-second and M Streets northwest, was badly burned yesterday afternoon about the face and Waynesburg College, are a new species hands while in the act of lighting an and resemble to some extent a caterhome, 815 M Street northwest.

York closing. Foreign houses say senare inclined to await more definite information in regard to the crops and

After the close of business on the New York Stock Exchange yesterday official announcement was made that in consequence of the continued ill-health of Mr. Schwab, the president of the United States Steel Corporation, an assistant has been appointed to perform formal resignation on the part of the president, it will undoubtedly be regarded as tantamount to that in Wall Street and it must be confessed that speculative sentiment in the financial district market price of the Steel Corporation's

The governors of the New York Stock | quarter. Exchange acted adversely yesterday on the petition for an extra holiday on the 3d, and business will be done on Friday as usual. The announcement was received on the floor with groans. The governors were influenced, no doubt, by a change of sentiment on the subject of closing since the petition was presented. Business then was at almost a standstill and everybody was disgusted with the market. If the matter had come be fore the governors last week they might have granted the request, if for no other reason than that it was practically

of a considerable minority.

### BADGES FOR OPIUM SMOKERS.

A government monopoly and a factory for the preparation of opium has been established at Fukien, China. Hereafter all opium smokers who wish to purchase the drug must obtain from this establishment badges which are of three classes, viz: First, brass badge, which is for the government officials; second, paper badge, which is for the gentry, and third, wooden badge, which is for the common people. On these badges are written the names of the opium smokers, their ages, their addresses, and the quantity of opium they are allowed the quantity of opium they are allowed to buy daily, which is to be decided and limited by the government officials, and which cannot be deviated from at any time. The interest of Americans for this news consists in the fact that from dopted by our Government .- American
